## SPONSOR A LOVED ONE!

**As a member, you sponsor one of your relatives and help the association to increase its core membership. The membership fee is vital for the running of the association and the development of projects! Your gesture of solidarity is rewarded: the membership fee of the person you sponsor is reduced by 50% in the first year! This gift allows you to spoil your loved ones while thinking of the most needy! What are you waiting for?**
